

Ningbo Dahong Technology Co. Ltd.

Price sheet

2D optical measuring device V-CAD 60 SAPHIR

2019/V1

Art.Nr. 0209001129		purchase price	
		V-CAD 60 Max. measuring range: 65 x 55mm Ultra hard glass plate Slider LED incident light illumination LED transmitted light illumination 4 stage motor zoom Fields of view (mm): 65x55 - 32x27 - 16x13 - 8x6	27.600,00 €
		SAPHIR software, incl. Quick Detect	
		All-in-One PC, keyboard, mouse	
		Factory calibration certificate	
Services			
		Packaging for air/sea freight	670,00 €
V-CAD 60 incl. services			28.270,00 €

Optional

		Workstation 130 Sitting position on the left or right	1.940,00 €
--	--	--	------------

Remark:

Please note, that in case of sending the goods by airfreight additional costs for X-Ray and other security charges will appear. Delivery is subject to any necessary export approval by the German BAFA.

Ningbo Dahong Technology Co. Ltd.

Price sheet

2D optical measuring device V-CAD 80 Zoom

2019/V1

Art.Nr. 0209001140		purchase price	
		V-CAD 80 Max. measuring range: 65 x 55mm LED transmitted light illumination LED incident light illumination, programmable 4 stage motor zoom Fields of view (mm): 65x55 - 32x27 - 16x13 - 8x6	39.160,00 €
		SAPHIR software, incl. Quick Detect	
		All-in-One PC, keyboard, mouse	
		Factory calibration certificate	
Services			
		Packaging for air/sea freight	770,00 €
V-CAD 80 Zoom incl. services			39.930,00 €

Optional

		Workstation 130 Sitting position on the left or right	1.940,00 €
--	---	--	------------

Remark:

Please note, that in case of sending the goods by airfreight additional costs for X-Ray and other security charges will appear. Delivery is subject to any necessary export approval by the German BAFA.

Ningbo Dahong Technology Co. Ltd.

Price sheet

2D optical measuring device V-CAD 300 CNC

2019/V1

Art.Nr. 0209001131		purchase price	
		V-CAD 300 CNC Measuring range: 300 x 200 x 200mm LED incident light illumination LED transmitted light illumination 4 stage motor zoom Fields of view (mm): 65x55 - 32x27 - 16x13 - 8x6	43.110,00 €
		SAPHIR software, incl. Quick Detect	
		All-in-One PC, keyboard, mouse	
		Factory calibration certificate	
Services			
		Packaging for air/sea freight	770,00 €
V-CAD 300 incl. services			43.880,00 €

Optional

		Workstation 130 Sitting position on the left or right	1.940,00 €
--	---	--	------------

Remark:

Please note, that in case of sending the goods by airfreight additional costs for X-Ray and other security charges will appear. Delivery is subject to any necessary export approval by the German BAFA.

Ningbo Dahong Technology Co. Ltd.

Price sheet

2D optical measuring device V-CAD 400 CNC

2019/V1

Art.Nr. 0209001143		purchase price	
		V-CAD 400 CNC Measuring range: 400 x 200 x 200mm LED incident light illumination LED transmitted light illumination 4 stage motor zoom Fields of view (mm): 65x55 - 32x27 - 16x13 - 8x6	45.110,00 €
		SAPHIR software, incl. Quick Detect	
		All-in-One PC, keyboard, mouse	
		Factory calibration certificate	
Services			
		Packaging for air/sea freight	770,00 €
V-CAD 400 incl. services			45.880,00 €

Optional

		Workstation 130 Sitting position on the left or right	1.940,00 €
--	---	--	------------

Remark:

Please note, that in case of sending the goods by airfreight additional costs for X-Ray and other security charges will appear. Delivery is subject to any necessary export approval by the German BAFA.

Price sheet

Workshop microscope WM1 200 CNC

2019/V1

Art.Nr. 0209001155		purchase price	
		WM1 200 CNC Measuring range 200 x 100 x 100mm LED incident light illumination LED transmitted light illumination Objective lens 1,5x Image field: 4.3 x 3.2 mm Working distance 77 mm	28.350,00 €
		SAPHIR software	
		All-in-One PC, keyboard, mouse	
		Factory calibration certificate	
Services			
		Packaging for air/sea freight	670,00 €
WM1 200 CNC incl. services			29.020,00 €

Optional

		Zoom objective 0,58-7x - 8 steps, motor-driven incl. coaxial episcopic light	3.500,00 €
		Contact probe system TP200	8.760,00 €
		incl. reference sphere brilliant Ø 20 mm	
		Workstation 130 Sitting position on the left or right	1.940,00 €

Remark:

Please note, that in case of sending the goods by airfreight additional costs for X-Ray and other security charges will appear. Delivery is subject to any necessary export approval by the German BAFA.

Price sheet

3D multisensor measuring machine PMS 700

2019/V1

Art.Nr. 0209001119		purchase price
	 <p>PMS 700 Measurement range: 700 x 700 x 300mm</p> <p>Objective lens 1,5x Image field 4x3 mm Working distance 80 mm</p>	152.790,00 €
	 <p>Measurement and analysis software</p>	
	 <p>PC rackmount industrial housing, 22" monitor, keyboard, mouse</p>	
	 <p>LED surface light, programmable</p>	
	 <p>Workstation 130 Sitting position on the left or right</p>	
	 <p>Factory calibration certificate</p>	
Services		
	 <p>Packaging for air/sea freight</p>	2.860,00 €
PMS 700 incl. services		155.650,00 €

Optional

	 <p>Contact probe system TP200</p> <p>incl. reference sphere brilliant Ø 20 mm</p>	12.870,00 €
	 <p>Scanning probe system SP25</p> <p>incl. reference sphere brilliant Ø 20 mm</p>	29.220,00 €
	 <p>Zoom objective 0,58-7x - 8 steps, motor-driven incl. coaxial episcopic light</p>	4.375,00 €
	 <p>Confocal white light sensor</p>	23.125,00 €
	 <p>Rotation axis</p>	23.720,00 €

Remark:

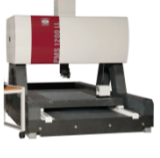

Please note, that in case of sending the goods by airfreight additional costs for X-Ray and other security charges will appear. Delivery is subject to any necessary export approval by the German BAFA.

Price sheet

3D multisensor measuring machine PMS 500 LL

2019/V1

Art.Nr. 0209001161		purchase price	
		PMS 500 LL Measurement range: 500 x 500 x 400mm Optical range: 500 x 500 x 400mm Objective lens 1x Image field 5.6 x 4.2 mm Working distance 190 mm	187.320,00 €
		Measurement and analysis software	
		PC rackmount industrial housing, 22" monitor, keyboard, mouse	
		LED surface light, programmable LED transmitted light	
		Workstation 130 Sitting position on the left or right	
		Factory calibration certificate	
Services			
		Packaging for air/sea freight	3.200,00 €
PMS 500 LL incl. services			190.520,00 €

Optional

		Scanning probe system SP25 incl. reference sphere brilliant Ø 20 mm	29.220,00 €
		Zoom objective 0,58-7x - 8 steps, motor-driven incl. coaxial episcopic light	4.375,00 €
		Confocal white light sensor	23.125,00 €
		Rotation axis	23.720,00 €

Remark:

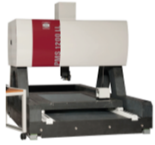

Please note, that in case of sending the goods by airfreight additional costs for X-Ray and other security charges will appear. Delivery is subject to any necessary export approval by the German BAFA.
